

# THE 5CRE METHOD

HOW 5CRE HELPS YOUR COMPANY GROW IN JUST OVER A WEEK.

## DAY 1 - INITIAL CONSULT

A free and necessary 30 minute (per position) consult in which we understand what it is you need, and the expectations / deliverables for your staff

## DAY 1.5 - EXAMPLE RESUMES

Based upon the questionnaire ([book.5cre.com](http://book.5cre.com)) and the initial consult, as long as the position has been hired for in the past, 5CRE will send you elevator pitches and resumes from past applicants as an example of what we will provide this time around.

## DAY 2 - DEPOSIT AND INITIAL RESUME SET

A \$250 deposit is collected upon receipt of your first set of resumes, prior to their translation into English - the deposit is applied to your security deposit at initial hiring.

## DAY 4 - INTERVIEW DAY BOOKING AND TESTING

It is at this point where we plan a test for all applicants to see prior to an in-house interview. We want to see their work. All applicants will take a real world test and aptitude test at time of interview

## DAY 7 - INTERVIEW DAY

The big day has arrived, we don't do virtual interviews, we want our staff to show up, and be punctual. This is a chance to go over our candidates, check their test results, present further testing and find our finalists.

## DAY 7.5 - TECHNOLOGY REVIEW

You're all set! We have a finalist, you're about to hire the right person. Lets go over how you interact with your staff, and make sure the platform is perfect. We have a lot of technology options. It's time to pick the right one for you.

## DAY 8 - SECURITY DEPOSIT AND CONTRACT SIGNING

Our very simple contract is available to see at anytime during this process. we collect the first month's pay to cover severance and we pay staff bi-weekly. Your \$250 deposit from day 2 is applied.

## AND THAT'S IT!

Your Staff, Your Autonomy. Our Infrastructure.

Simple. Done; and Done Right.
